## February Class Descriptions

**Ages & Stages-** These are questionnaires that give an effective and affordable way to systematically screen infants and young children for developmental and social-emotional delays in the crucial early years of life. Come and learn some of the age-appropriate skills you can introduce to your child. Register in Suite 108 by January 24th to schedule your session.

**Ask a Pediatrician from UNLV School of Medicine** - A Children's Health topic will be presented from a Pediatric Resident Physician from the University of Nevada Las Vegas-School of Medicine. Topics change each week and covers a range of issues including Child Car Seats, Nutrition, Obesity, Vaccines, Breastfeeding, Smoking Dangers, and much more. The presentation will be followed by a brief Q&A session where you can ask the Pediatrician any questions about their presentation or anything else about your child's health.

**Build and Play-** Learning geometry is fun with these building centers designed for the little engineer. Taught by F2F Staff.

**Children's Cabinet Presents "I am Ready for K":** Help your child get prepared for the transition to kindergarten with math, literacy, science and art activities.

**Clark County Wetlands Park Nature Hike and Picnic-** Join us for a walk through the Clark County Wetlands Nature Preserve. Begin at 9:00 at the Nature Center Exhibit Hall for a 15 minute introductory talk. Then you are free to explore the trails until we meet for a picnic at a designated location. Wear sturdy walking shoes and dress for the weather. Bring a hat, water, and sunscreen as well as your picnic lunch. 7050 Wetlands Park Lane, Las Vegas, NV. 89122

**The College of Southern Nevada Dental Hygiene:** Information to be covered will include the importance of plaque control, preventative measures such as the use of fluoride and nutritional choices, and the child's first dental visit.

**Dancing with Miss Jenny®** - Dancing With Miss Jenny® is a creative movement program designed to aid preschool aged children with and without disabilities achieve developmental milestones. Miss Jenny's concepts are a fusion of early childhood education, dance, and creative movement concepts choreographed to strengthen physical and mental advancements in young children. Common household and classroom items are incorporated into the choreography to assist in bringing out the desired movements of the child, as well as provide a novel way to maintain their attention. Each piece of choreography targets a combination of developmental benchmarks such as gross and fine motor skills, sensory, cognitive, language and social skills.

**Developmental Activities-** The early years are the time to build a strong foundation in all developmental areas. Join us as we engage in fun activities that touch on all five developmental domains: cognitive, physical, social/emotional, language, and self-help/adaptive development. Meeting specific milestones in all five domains of development and learning helps preschoolers establish behaviors and skills that will make them successful. Taught by F2F Staff.

**DISCOVERY Children's Museum** presents: "Discovery on Wheels" DISCOVERY Children's Museum will provide hands-on and interactive health sciences program with specific lessons emphasizing national, state, and local Pre-k curriculum standards.

**Diversity in Action w/ UNR Cooperative Extension-** Family Storyteller Diversity in Action (DIA) introduces early literacy concepts to parents, as well as expose children to other cultures and start a dialog about multiculturalism.

**Dr. Seuss Day (Pre-K readiness)** – Join us to learn about Dr. Seuss! During this class, children will have the chance to work on their literacy skill through different activities. Also they will work on a fun science project.

**FACES Presents: Attendance Matters-** Good attendance isn't just about school policies; it is an important part of school success. There is a strong link between regular, consistent attendance and student achievement. Absenteeism is a red alert that students will drop out of high school. Come and learn what attendance includes, why it's important and how to develop family routines.

**Family Day at the Park-** Join us for fresh air and gross motor fun. Dress for the weather. Bring a snack to share! See calendar for location.

**March Madness (Developmental at the park)** – Join us for a basketball theme class! In this class we will learn about basketball through literacy and math. Children will make a fun sport theme crafts while work on their fine motor skills. This class will be led by our UNLV intern Anamile Hernandez.

**Pre K Readiness-** Research continues to support the importance of learning in the early years. Pre K Readiness will help you, as a parent, recognize the key standards for student achievement. In this class, you and your student will engage in math and science, language development, social/emotional development, health and physical development, and creative expression, all in a fun, safe, learning environment. Lead by F2F staff.

**St. Patrick's Day (Developmental)** - Come out and celebrate St. Patrick's Day with us! In this class we will have the opportunity to practice our counting skills, and we will use our senses such as touch and sight. This class will be led by our UNLV intern Anamile Hernandez
